

## Press Release

### For Immediate Release

#### **Margaret Walsh Announces Exit from Day-to-Day Involvement; Becomes Chairwoman of the Board**

San Rafael, CA — February 6, 2025 — Changing Places, Inc., the leader in the home organizing and move management, announced that Margaret Fearey Walsh, the company's founder and owner, will be transitioning to a role in business development, effective this month. While she steps back from day-to-day operations, Margaret will continue to serve as Chairwoman of the Board, guiding the company's strategic direction and remaining an integral part of its leadership.

Margaret founded the company in 1993 as a catering, and household management business. During her 32 years of leadership, Margaret pioneered the service of white-glove move management and concierge-level relocation services. Throughout her tenure, Changing Places achieved significant milestones, including dozens of Best Home Organizer awards and double-digit growth, establishing itself as a trusted and respected business in the San Francisco Bay Area.

Going forward, the day-to-day operations of the company will be overseen by Katie Carr, who will take on a more prominent leadership role in managing the business as President and General Manager. "Margaret's, passion, unwavering vision and leadership have been the foundation of everything we've achieved. We're grateful that she will continue to serve as Chairwoman and provide invaluable guidance as we enter this next phase of our journey," said Carr.

In her new role as Chairwoman, Margaret will focus on high-level strategic initiatives, including business development, partnership cultivation, and ensuring that the company stays true to its core values. "This is an exciting new chapter for me, and while I'll be stepping back from the daily operations, my commitment to Changing Places and its future remains strong," said Margaret Fearey Walsh. "I look forward to continuing to support Katie and our leadership team and helping guide the company as it continues to grow and thrive."

Changing Places is committed to maintaining its industry leadership in the Bay Area and continuing to deliver exceptional services to its customers. With a strong leadership team in place and Margaret's ongoing support, the company is poised for continued success.
